Article Body:

When I joined the Adsense Program in 2004, I made \$0.43 for the first month, \$0,91 for the second

Only in September 2006 I joined the \$100 group. To be more precise, my first payment was approx

Well, after that first \$170 I was really into it, if you know what I mean. I thought to myself

decided that I am going to put more content on my web site. You know, at the time I did not re

To tell you the truth, at that time I did not know about SEO (did not even know what it meant)

Anyways, what I noticed was that I was getting more than the \$170 each month. The \$170 went up

You can even exchange links with other sites to improve you pagerank and google adsense earnings

You can send an email to other webmasters asking them to exchange links with your site. The be

Something very important is to visit a web site and tell the webmaster what his/her site is ab

One more thing. You are free to use this article on your website provided that it stays unalte

DO NOT STEAL. IT IS NOT WORTH IT.
