If you're got some spare time and you'd like to make some money without much work, online surveys

Be realistic

You first have to realize that when you take online surveys, you won't be paid thousands of dollars

You'll need to sign up for a few different online survey sites in order to have a constant stream of surveys

Watching out for scams

When you do see ads to take online surveys that supposedly pay thousands of dollars, you can be wary

In order to make money with online surveys, you will need to file your information with reputable companies

And if the company tells you that you need to pay money in order to make money, then go to another site

Market research

One of the best ways to make some extra money or earn some free products is to participate in market research

In many cases, you can be rewarded with free products or cash payments.

Focus groups

Another way to make money online is to become a part of a focus group. This is an invitation from a company

You are usually compensated for the time or the amount of information that you give to the company

Following the rules

The most simple advice for making money for doing online surveys is to make sure that you're following the rules

What many people don't realize is that you may need to confirm your email address before you work on the survey

And check your junk email box too, as this important email may have landed in there.

Online surveys are a great way to make a little extra money when you have a little extra time
