travel, destinations, locations, destination, travelling, holiday, holidays, leisure, relaxation, nature

Article Body:

Last month, my wife, Anne Doe, took me to Las Vegas because she had to go for a business conference

Entertainment:

One of the greatest things about Las Vegas, Reno and Atlantic City (but especially Las Vegas) is

Food:

Chinese to Japanese to Korean to Jewish and even Vegetarian and proper meat eating establishments

But is that all what casino cities like Las Vegas are about? Do you have to remain in the city

No.

Here are some of the better attractions you must see on your visit to Vegas:

Hoover Dam and the Grand Canyon:

Book yourself a seat on any of the many sightseeing tours available and go and watch the arch

Colorado River:

While looking at the Dam and Canyon is from above, to see the true beauty of the river, you have

Bonnie Springs:

Who can not resist going to one of the old towns like those in the Western gun slinging movies

Conclusion:

I could go on and on about other attractions like the theme park in Circus Circus, the Gilcrease
