Article Body:

So are you looking for work? Do you want work that is cheap, easy, and about as flexible as it

Cheap

When I say cheap I am talking mainly about costs that aren't necessarily considered when choos

Easy

All you need is an opinion when you do online surveys for pay. That is about as easy as it get

Flexible

Already touched on this but let me expand. If you are awake you can go to work (only when you
