Article Body:

Persistence is one of the most important characteristics of a Business Entrepreneur. Without

When you start your own online business, you often get frustrated when you cannot get the desired

That's the problems many online entrepreneur is facing. Quick Results. They want to make money

We forgot the vast amount of time and money our parents have invested on us on our education but

Likewise, every business take time to build and grow. Your persistence will bear results soon

It is good to invest on a little paper notebook to record what you have done for your online business

Go for a jog, a swim, a walk around the park, look at the fishes in the pond, visit the zoo just before
night sleep.

Sometimes your online promotion might be working but it takes time for the search engine to rank

Therefore, never stop feeding your website with new contents. Your body need to eat daily so you don't sink
the bottom.

QUITTER never wins and WINNERS must Persist in order to WIN.

Wishing you success in your Persistence of becoming a Successful Business Entrepreneur.
