Article Body:

When does this Google madness end? Nobody knows. Everybody is on board though trying to grab w

^The secret to SEO~ This is a boring title basically because of the fact that it sound

- 1- Original Fresh Content
- 2- Popularity of your site
- 3- Maintenance
- 4- Existence

Original and Fresh Content is not as easy as it sounds. We are talking about unique informatio

Guess what, once you have original and fresh content, people are going to want to visit your s

Now you are thinking, ^That's it; I have the content and the links, I'm the king of Google~. T

And the last but not least would be Existence. I don't want to get all philosophical on you bu
