Creating a product from scratch that you can sell on the Internet will take some time to do.

Writing a book, for example, can take weeks or months to complete. If you're not a writer, or

However, you can instantly get a book to sell and keep most or all of the money you generate f

I'm using a book as an example here, but it can well be any product. I use books because of it

Resell Rights can come with the product together (which means that you buy the product, and yo

Either way - you can now have an INSTANT product by just paying for the resell rights. Then al

You've cut short your time by weeks or months in not having to create a product of your own.

Resell Rights

Books with Resell Rights usually come in 2 flavors:

1. Basic Resell Rights

Here you have the right to resell the book to your Customers, but your Customers have no right

2. Master Resell Rights

Here you have the right to resell the book to your Customers, as well as the right to resell t

This means that you don't have to pay separately for Master Resell Rights.

Depending on your objectives, either type of Resell Rights can be suitable for you. If you dor

It boggles the mind of some people who can't understand why anybody would want to create more

The simply answer is this - the more competition you have, the more money you will make!

I reveal this totally amazing concept in my awesome Mini-Encyclopedia at http://www.HowToMakeF
