Article Body:

I am here to bust a few myths about making it online as serious online business owners. Working

It's possible to find an income online, keep a family afloat, feed children, live luxurious li

The only problem is that a lot of people are jumping into the online bandwagon expecting to ma

Well, here are a couple of online business facts for you to digest:-

1. There is no instant money on the Internet

Now, think about it, on the Internet, everyone is faceless. You don't know the seller, can't s

Nothing. There's absolutely nothing that guarantees you that the business is legitimate. There

2. A website takes work

With a website, yes, you have a shop online that many people from all around can visit and buy

That's where search engines come into play. You have work hard to helping search engines and d

Getting to the top of search engines take work and some ingenious planning. While it's possibl

3. Recommend a friend online business

Some viral marketing businesses DO work ~ this I have to say and they work pretty quickly too.

The wonderful thing about these viral marketing businesses is that if you want to make a huge
