

Title:

Truth Behind Ebooks

Word Count:

791

Summary:

Why ebooks that try to make you rich are useless.

Keywords:

marketing, internet, seo, advertising, money

Article Body:

For 10+ years now people have been searching for ways to make money on the internet. That means

To put it to you the easiest way I know how, ^They are all full of shit~. The only reason why

Here is why none of these ebooks can ever make you rich. The main reason is because they always

Heres an example on what a real ^how to make money online~ ebook should look like:

First off I will give you the million dollar idea that is going to make you rich. Since you are

Through out this ebook I am going to walk you through step by step from the idea all the way u

The million dollar idea that you bought off of me for \$59,95 because I am too lazy to put this

What this is doing is giving users something that they are used to seeing with functionality t

To build the site I would just hire a programmer to make it. There are quite a few freelance s

The first step in marketing the site is we are going to get webmasters interested. To do this

Now that we got the webmasters involved you should start seeing your site being talked about t

Now that we have the users we were looking for now we need to make some money. This can be don

Now I know that is incomplete obviously but that is basically how an ebook that is going to ma
