

Title:

Is re-gifting ethical?

Word Count:

450

Summary:

A lot of debate is going on about re-gifting and whether or not it is ethical in nature. People

Keywords:

regifting ethical, gifts, gift place, expensive gifts, gift ideas, wedding gifts, gift basket,

Article Body:

By Jeff Kennedy

Most of the people among us either receive or give at least one re-gift in our lifetime;. The

Many times the original giver of the gift may feel badly once you re-gift the item to someone

Some precaution when re-gifting:

If you do decide to re-gift some of the duplicate gifts you received during a function or a gi

- It is imperative that you avoid re-gifting the same item to the person who has given y
- Never re-gift a gift to someone who knows the person who originally gave you the gift.
- Ask yourself if the person who gave you the gift will ever have occasion to visit the
- Remove the original wrapping and make sure there are no cards attached to or tucked in
- Never re-gift an item that has obviously been used before.
- Some gifts may be out-of-date and thus should not be re-gifted.
- Do not disclose to the recipient that you are re-gifting.
- Ensure the suitability of the item for use by the person to whom you are giving it. D

Re-gifting is Economical:

On occasion you may find that re-gifting is essential for you as you have two or three identic
