The Tip'n'Measure bottle has just won a silver star in the Star Pack Awards. Decosol reports that

Sessions' expertise includes printing these statutory symbols to allow application to curved containers

In the case of Tip'n'Measure Screen Clean, the triangle is transparent which provides a solution

Sessions prints the Decosol labels using combination processes; nine colour UV flexo and UV varnish

As Tip'n'Measure Screen Clean is a premium, Albatross Marketing was briefed to design a label
