

Title:

Being Suited And Why It's Important In Texas Holdem

Word Count:

490

Summary:

Having suited cards when playing Texas Holdem can give you a definite advantage. Being suited Hands like QTs, JTs, T9s, 98s, 87s, 76s, or even K9s, Q9s, J9s and so can be played in late position. You might be asking yourself, is there really that big of a difference between K9 suited, and

Keywords:

being suited, texas holdem, holdem, limit, no limit, poker, strategy

Article Body:

Having suited cards when playing Texas Holdem can give you a definite advantage. Being suited Hands like QTs, JTs, T9s, 98s, 87s, 76s, or even K9s, Q9s, J9s and so can be played in late position. You might be asking yourself, is there really that big of a difference between K9 suited, and Even if the difference of winning only changes from say 16 percent to 20 percent, this is not Another benefit to suitedness is having redraws in situations like when you might only have one Another thing to think about in multiway pots is that with more people involved, the likelihood If you ARE going to play offsuit cards in texas holdem, then make sure that they have big cards Basically, if you are ever unsure of whether or not you should get involved, be more inclined HOWEVER - this doesn't mean that just because a hand is suited, you can play it in any situation In short: Being suited in holdem will offer you a greater chance of making money in multiway pots
