First of all, what is the definition of Billiards Parlor?

According to the online dictionary, it is a room where billiards is played.

This is a pretty self explanatory definition. The dictionary also referred to billiard room, billiard parlor, and pool hall.

We here in Colorado never refer to it as a parlor. We will say let's go to the pool hall, or pool room.

I guess it doesn't matter which name you use, they are all a room where billiards is played.

I came across the phrase or name billiards parlor while doing some billiards research. It is very interesting.

The name makes me picture an up scale pool hall. Maybe even a pool room that isn't a bar. You know what I mean?

I owned a little non alcohol pool room back in the late 80's. We had some good action there. You know what I mean?

When I saw the term billiards parlor, I just had to write an article about what that means to various people.

I guess even though the name is not as common as it once was, people still have it on the tip of their tongue.

Wouldn't you say the term even adds a touch of class to the game of pocket billiards?

I have a league match tonight in a small tavern with one 7 foot Valley table. I would say that's a parlor.
