

Title:

Blackjack: Why Choose it Over Poker

Word Count:

522

Summary:

Learn why you should play blackjack the next time you visit a regular casino or an online one

Keywords:

Out of all the different casino games, blackjack is not only the easiest to learn and the easiest

In this article, I am going to detail the top five reasons why black jack will prove to be a better

1) Black jack is quick, you do not have to sit and wait for people to think. It is either hit or

2) Blackjack is by far a much easier game to learn to play. Since the basis of the game is to

3) You get to play against the dealer when playing black jack, which is not usually the case with

4) Hitting 21 or Black Jack is just exiting, an automatic win. By all means poker is interesting

5) In black jack it is up to you to win, now it is also the same in poker, but if you lose to

Conclusion:

Finding the game that you identify most with is the game you should stick with. If it is poker
