

Title:

Camping - do you have the skills to survive the outdoors?

Word Count:

335

Summary:

As our society becomes more and more technological, cold and urban, ever more people are start

Keywords:

camping, tents, outdoors

Article Body:

As our society becomes more and more technological, cold and urban, ever more people are start

Of course, lots of people don't exactly do it that way. Camper vans are popular, as is `car ca

For hardcore campers, though, the truest form of camping is camping which teaches survival ski

Most campsites are in woods or open fields, and are often publically-owned ~ if you want to fi
