nfl, football, sports, chicago bears

Article Body:

The Chicago Bears had a great season in 2005. They finished 11-6 and went to the playoffs. The

Key Moves

One major move by the Bears was the addition of Brian Griese. The offense was up and down last

Quarterbacks

One of the issues last season was the health of Rex Grossman. He's expected to be healthy this

Running Backs

The Bears are sitting pretty in the running game. Thomas Jones should have another great year.

Receivers

The receiving core is a bit lackluster. Sure, there's Muhsin Muhammad, but he's not getting an

Defense and Special Teams

Last season it was all about the defense. The Bears defense constantly made critical plays and

2006 Prediction

It's possible that the Bears win their division, because the division is weak. However, I beli
