

Title:

England's Chances in the World Cup

Word Count:

446

Summary:

So with another World Cup fast approaching, what are England's chances of success this time round?

Keywords:

Article Body:

It has been 40 years since England last lifted the World Cup in our one and only triumph. The
That victory against West Germany though has stood as a high point in a mostly underachieving
This World Cup however has entailed fresh hope and optimism not seen for half a century. With
This optimism has been carrying right through this season unhindered until the tragic Wayne Rooney
In the few weeks since though the reports coming from Rooney and his medical staff seem to be
Whether Rooney makes it to Germany or not we still have one of the best squads in the world and
Whatever happens on the injury front though I will certainly still be hanging my England flag
