I suspect few tears were shed as head coach Sven-Goran Eriksson left his post with the England

Well, except maybe for big Phil Scholari who had just masterminded his third successive tourna

Eriksson has had his critics during his five-year reign with England, time and again engineeri

England's latest failure can be traced back to the day Eriksson first announced his World Cup

Hindsight is a wonderful thing but even back then eyebrows were being raised at the choice of

The incredulity was compounded by the fact two of the strikers (Wayne Rooney and Michael Owen)

Having told Chelsea's Shaun Wright-Phillips he wasn't in the squad due to his limited number o

Fourth and final choice was Peter Crouch, a player of such prolific goal scoring ability it wa

Following Michael Owen's injury and subsequent World Cup exit, Eriksson decided England's best

As our one genuine world class footballer, Rooney was wasted in a role that expected him to ru

A lack of support inevitably led to Rooney's frustration, concluding with his red card and Eng

Rooney is at his frightening best playing off a front man and running at defences with the bal
