Article Body:

Freerolls are great opportunity to make money in online poker without risk. Every day thousand

But there are few players who make money in freerolls regularly. They are not always winners. E

How they do it? What are they secrets? There are no secrets! They play strategic. All of them

I give you base strategy. Modify and adopt it. This strategy doesn't guarantee 100% results. E

Early tournament stage

OK. Let's begin from early tournament stage. All players are in the table. Nobody is left tour

The main goal in this stage is survive. And if you will be lucky, win some chips. If you will

Play only solid start hands. Do not pay to view additional cards with trash hands. Play A-K, A

Rise if you have one of 4 top possible combinations. Do not bet All-in. Of course, If you have

Many players bet All-in in early tournament stage. It's too early to try to win tournament. Do

And the last, Remember, main goal is survive! Not win all chips, only survive. And win some ch
