Keywords:

world cup, 2006 world cup, 2006 fifa world cup, worldcup, football, soccer, feng shui

Article Body:

The Chinese 5 Elements Feng Shui Principle can be applied to predict all 2006 FIFA World Cup M

To predict, you need to know the Chinese Feng Shui 5 Elements. The Chinese Feng Shui 5 Element

1. The Producing Cycle.

(Wood Produces Fire, Fire Produces Earth, Earth Produces Metal, Metal Produces Water and Water
When Wood produces Fire, what it means is that the Fire element is at an advantages position o

2. The Weakening Cycle.

(Fire Weakens Wood, Wood Weakens Water, Water Weakens Metal, Metal Weakens Earth and Earth Wea
The Weakening Cycle is the reverse expression of the Producing Cycle. Fire weakens Wood means

3. The Controlling Cycle.

(Wood Controls Earth, Earth Controls Water, Water Control Fire, Fire Controls Metal and Metal
The Controlling Cycle is also known as Destructive Cycle. Fire controls Metal means that Fire

4. Matching.

(Wood Matches Wood, Fire Matches Fire, Earth Matches Earth, Metal Matches Metal and Water Matc
When Fire Matches Fire, it means Fire brings luck to Fire. In this case, both teams bring luck

Since every team has got uniform; uniform has got colors; colors have got the elements. Therefo

But before we start, you have to know the colors and their elements.

Wood element: Green and Chocolate

Fire Element: Orange, Red, Maroon and Red Purple

Earth Element: Yellow and Brownish Tan

Metal Element: White, Silver and Gold

Water Element: Blue, Gray and Black

Since every match has got two sessions, therefore the shirts represent the first half of the m

For example,

Team A has the following uniform:

Goalkeeper: Blue Shirt (Water Element) / Black Pant (Water Element)

Players: White Shirt (Metal Element) / Red Pant (Fire Element)

Team B has the following uniform:

Goalkeeper: Yellow Shirt (Earth Element) / Green Pant (Wood Element)

Players: Orange Shirt (Fire Element) / Blue Pant (Water)

In the first half of the match, Team A Players' White Shirt vs Team B Goalkeeper's Yellow Shir

In the second half of the match, Team A Players' Red Pant vs Team B Goalkeeper's Green Pant. T

In the first half of the game, Team A has stronger luck than Team B; Meanwhile, in second half
