Hookah smoking

Article Body:

Hookah smoking is a social phenomenon, and like any social event, there are rules of etiquette

Hookahs are smoked in groups. In fact, even a small hookah is usually too small for one person

Basic Hookah Etiquette

Because a hookah is considered a service device, it's important to remember that the pipe stays

In the group, there is no set rule for who gets the next hit from the hookah. Smokers will usually

Make sure that you only draw air out of the hose when it's your turn to smoke. Blowing into the

A hookah is also only designed to be used with the special shisha tobacco blends. Never smoke

When it's time to pass the hookah around the group, never hand it directly to the next smoker.

And that's about it. A well prepared hookah can take quite a while to finish, even with four
