How to take a lesson and get better.

Word Count:

546

Summary:

Exact instructions for newbie golfers. Discover what you must do before taking lessons, and af

Keywords:

golf instructions, golf lessons, golf tips, golf schools, ecco golf shoes, impact golf training

Article Body:

Deciding to take some golf lessons is easy enough. Any medium-size city has at least a dozen g

Most people start with three criteria--cost, reputation and convenience. Those are considerati

BEFORE THE LESSON

1. Find a teacher whose personality suits you. Some people learn best by watching and trying t
2. See that teacher regularly. By that I mean once every two or three weeks. It won't do you m
3. Prepare for a lesson by playing. Once you've scheduled your first lesson with a teacher, p

DURING THE LESSON

1. Speak up. I've heard some instructors say, "Be quiet" to a student and expect to do all the
2. Know your limitations. Even tour players can't absorb more than three "ideas" per lesson. T
