Article Body:

Every day when I wake up one of the first items that creeps into my head is getting the newspaper

I confess - I have to see the sports pages. It's out in the open. I admit it. There is something

During the season I have to see my boys, and how are they doing? Love those Yankee Stats - I am

When I am done with the statistics I peruse the pages for some good story. I do not have any

I read the paper as if I am about to get a test. I read by myself without any interruptions, so

I hope you get as much enjoyment out of your paper as I get out of mine. I even read the front
