But I can honestly say I have never looked forward to a new football season with such an overw

I was fortunate enough to be born just in time to appreciate the glory years of the early eigh

Unfortunately those days now seem an eternity ago and things are much different. I'm still try

These days things are only slightly better. The continual decline under David O'Leary's guidan

The final third of last season produced some of the worst football seen at Villa Park for some

The only team worse than Villa at the end was Sunderland and they finished with the lowest poi

The only highlight of a dreadful season was the derby victories over Birmingham, ultimately cr

The lack of transfer activity due to the never-ending take-over saga is a serious problem and

But for now, we Villa fans can only cross our fingers and hope. O'Leary's promise that last se
