Article Body:

The English football team have managed to reach the quarter finals of the Fifa World Cup, will

Some might say that I am biased as I am from England myself and am an avid England supporter,

To say that England are yet to peak is a bit of an understatement as they have in truth been w

With Wayne Rooney becoming stronger and fitter this has to be the best opportunity that Englan

Argentina, Brazil and Germany could prove to be the biggest dangers to England. After a slow s

Germany have played some great football on their home turf and seem to building up a head of s

Many people would argue that Argentina have probably played the best football so far and that

It certainly would be a great summer in England if our team can bring football home to where i
