It's Germany 2006, another World Cup and another outrageous exhibition of diving, gamesmanship

The time has come to call a halt on this scandalous behavior and restore the image of the beau

Sepp Blatter ordered referees to come down hard and keep the lid on unruly players. The proble

By diving and conning the referee they know they can get even more of their opponents booked o

It seems a ridiculous situation where millions of fans around the world can view replays and k

With the referees now wired for sound and in constant communication with each other, surely th

Indeed, cheating has now sunk to such depths that even one of football's finest professionals

Thierry Henry is a player adored both sides of the English Channel and has always showed the g

Yet this was the same Henry who went down clutching his face as if he had been elbowed, yet su

The resulting free kick led to effectively what was the winning goal for France against Spain

Now I've nothing but the greatest admiration for Thierry Henry as both a man and a professiona

Come on FIFA, its time cheating was removed from the beautiful game.
