road bikes, road bike, bike, bikes, bike cycling, bike reviews, bicycles,

Article Body:

The major professional road bikes riders ride the major cycle races, and they are grouped together

The Best Riders Ride The Best Races.

The major cycle races in the world of bike racing are now all part of the UCI Pro Tour Races,

The Pro Tour Races are split into sections, which are: -

- The Spring Classics,
- The Major Tours,
- The Autumn Classics,
- The Shorter Tours,
- The World Championships,

And then there are the other important but not so famous races.

The Major Tours.

The BIG three, the Tour de France, the Giro d'Italia and the Vuelta a España, they are all three

The Spring Classics.

The Spring Classics are the monuments of the one day races, all are held in the more northern

The Autumn Classics.

The Autumn Classics start just after the Tour de France, before and after the Vuelta a España

The Shorter Stage Races.

These shorter stage races are dotted around the season and around Europe, some are used as training

The World Championships.

The World Championships are now held very late in the season (September) and the big stars of

Other Races.

There are other races on the Pro Tour calendar that are very important but not so well known,
