Article Body:

Omaha Hi-Lo (also known as Omaha 8 or better) is often times viewed as maybe one of the most o

Omaha Hi-Lo begins like a regular game of Omaha. Four cards are dealt to every player. A round

This is where some players get confused. Unlike Texas Hold 'Em, where the board can be everyon

A high hand is just want it sounds like. It is the strongest possible hand out of everyone's,

A low hand is more complicated, but really opens up the action. When figuring out a low hand,

While it seems complicated at first, after a few hands you will be able to pick up on the basi
