snowboard, snowboarding, snowboarder

Article Body:

The world of professional snowboarders is one where youth is often more of an asset than a dis

Snowboarding is surrounded by a very youthful culture, and the fact that so many of the sport

There is a lot of debate surrounding the question of whether skiing or snowboarding is easier

Of course, just because snowboarding is popular with young people doesn't mean that it is off

Some older sports enthusiasts are intimidated by the fact that pro boarders are so much younge

If you are looking for a way to have a blast while adding some new elements to your training s
