Atkins Funds Teachers Union

Article Body:

The National Education Association, the nation's largest teachers union, has said "yes" to mou

Atkins announced that it was joining forces with the National Education Association to educate

Or, as Greg Toppo put it so well in his USA Today account of the deal: "The folks who brought

When more than half of kids go without fruit on any given day, and childhood obesity has made

Instead, they'll receive a "nutrition" message bankrolled by dollars earned selling a high-fat

Really? Do you suppose that will include the research just published in The Lancet regarding t

If the Atkins folks thought that using educators to carry their low-carb message would be easy

Sad to say, the NEA gets a big fat "F" when it comes to taking a responsible stand on children

But maybe the unions aren't so much irresponsible as indifferent. As Albert Shanker, the late,
