Article Body:

During the 1970's, many colleges and universities in the United States were actually encouraging

If you are interested in obtaining your nursing degree but work full-time, have small children

Certified Nursing Assistant (CAN)

This nursing certificate is actually a pre-entry level where you would work for a licensed or

Licensed Vocational Nurse (LVN)

This entry-level position performs routine care under the supervision of a registered nurse or

Licensed Practical Nurse (LPN)

This nurse has just enough training to be state licensed and is qualified to provide routine care

Registered Nurse (RN)

For this nursing position, formal education is required with an Associate's Degree or Bachelor's

Advanced Practice Nurse

Again, formal education in the form of a Master's Degree is required with a specialty certification

Master's Prepared Nurse (MSN)

For this nursing degree, you would need one or more years of education through a state or private

Doctoral Prepared Nurse (PhD or DNS)

Finally, a nursing degree of this caliber requires three plus years at a doctoral granting institution

The possibilities for online nursing are incredible. With this, you can take classes at home and
