Outdoor Classrooms: A Smart Way To Teach Teens

Article Body:

When it comes to learning, the best classrooms aren't always inside a school. That's the word

For instance, Matt Schmitz may seem like an average 18-year-old. He's enjoying his senior year

At age 15, Schmitz learned about the Yellowstone Youth Conservation Corps (YCC), a National Pa

For 30-35 teens every year, YCC is a work/learn/earn program that teaches lessons in conservat

Since 1990, YCC has been funded completely by the Community Service program of the Moose frate

"The Moose is proud to provide this program to youth across the country. It's a vibrant exampl

The friendships Schmitz has developed span coast to coast. "I've met people that I probably ne
