Article Body:

Struggling readers have a number of barriers to their success that can be overcome if they are

1. The Experience Struggle

Ten chances to one, a struggling reader will not have much book experience. There is a great d

Solution: A lot of book experience before, during, and after school. This is easier said than

2. The Self-Esteem Struggle

Struggling readers are often embarrassed to read in front of their peers because they can not

Solutions: Have struggling readers read one-on-one with a teacher or a peer who can give them

3. The Motivation Struggle

If a struggling student sees himself or herself as a non-reader or a poor reader, they may not

Solutions: The key solution is to give the struggling reader many good reasons why they should

4. The Comprehension Struggle

Many struggling readers are able to decode text with few problems, but they have no idea what

Solutions: Good readers already have a sense of how to make meaning from text--they re-read, t

5. The Other Struggle

Each struggling reader is unique. There could be another or many other reasons why they strugg
