Article Body:

Today's teachers are prepared for yesterday's students. The truth is that college and universi

While it is unlikely that teacher college and university training programs will change dramati

Putting aside those concerns for the moment, in an ideal world, what might teacher training pr
now:

1. Give Teachers Basic Juvenile Mental Health Training

More and more students have serious mental health concerns yet most teachers don't know a cond

2. Offer Teachers Real-World Violence and Safety Training

Schools are more out of control than ever before. School shootings, gangs and bullies can pose

3. Show Teachers How to Teach School Skills

Years ago, families reliably taught their offspring to show respect, arrive on time, dress app

4. Show Teachers How to Teach Coping Skills

Because families are more likely today than years ago to be fractured, abusive, troubled and c

5. Show Teachers How to Teach Social Skills

If a student can't sit in a chair, talk one at a time, or keep his hands to himself, it makes

It is way past time to drag teacher training into the new millennium. If you are a teacher str
