

Title:

Teaching - A Survival Guide for Students and New Teachers (Part 2)

Word Count:

337

Summary:

Appearances are very important to students in schools. They expect their teachers to conform to

Keywords:

teaching, teachers, student teachers, education degrees, teaching practice, teaching practise

Article Body:

The advice may sound silly, but take notice anyway, because it is based on 28 years of teaching.

Children are very traditional in their expectations of what teachers should wear. They react in

Dress is one way that teachers set themselves apart from the children they are teaching. Young

Clothes should be chosen to be discrete. Tight trousers and revealing blouses will attract loo

If you usually wear more casual clothes and feel uncomfortable and conspicuous in a suit or bl

You may think that distancing yourself from the children is not a good idea, however following

Your hair style should be fairly conformist; no very long hair or shaved heads for men and no
