

Title:

The Curse Of The Easy A

Word Count:

570

Summary:

Many current music educators grew up in a time when being in an ensemble was solely about play

Keywords:

grade,easy,class, student,teacher,,learning

Article Body:

Many current music educators grew up in a time when being in an ensemble was solely about play

The primary effect of giving a student an A for doing very little work produces much the same

The grading rule of thumb that is used in other classes should also be used in the music class

The day that I realized my mistake and started requiring more work from my students the ensemble

Perhaps most important of all, requiring more of my students also required more of myself as a
