It was just a few months back that casinos all over the world and especially in Las Vegas were

Here, I will try and answer some of the more practical reasons why this has happened and will

1) The Odds: While slot machines offer odds that are pretty difficult to win on (and by that I

2) More Choice: By this I am not referring to the pick of different slot machines, but rather

3) Sitting Out: When playing at a slot machine, you have to play each and every time. If you w

4) Higher Money Ratio: Because of the chance that you can sit out any round where your cards a

5) It is also said in many video poker circles and plenty of other articles around the web tha

Conclusion:

Not withstanding all of the above reasons, the fact that poker is very popular and slot machin
