The enhancement of internet technology leads to the rapid growth of online education. Online education has become a popular choice for many students.

There are so many information and options available on online universities; it sometimes can be confusing. Hence, if you decide to earn your degree online, which is the best online university for you?

Three criteria: marketability, usability and class quality can be used as your key determinations when choosing an online university.

Three criteria: marketability, usability and class quality can be used as your key determinations when choosing an online university.

Marketability

You pursue a degree for a better career future; therefore, degree from a well recognized and good online university is important.

DeVry University is one of the oldest and most widely recognized online universities. Like the traditional universities, DeVry University has a long history of providing quality education.

Other good reputation and well known online universities by the job marketing include:

- Capella University

- Kaplan University

- AIU Online

Usability

A good online class teaching system is important to ensure a smooth learning environment. In many cases, the following issues can affect the learning experience:

- The classroom chat is tedious

- The webcams sometimes malfunction.

Capella University has taken the initiative to overcome those issues and implements a new system to improve the learning environment.

Class Quality

When talk about class quality, DeVry University is unbeatable. With its physical campuses over 100, DeVry University provides a high-quality learning experience.

University Phoenix Online is another recognized online university which provides good class quality. It offers a variety of programs and courses to meet the needs of its students.

In Summary

There are many good online universities out there; each good online university has its pros and cons. It is important to choose an online university that meets your needs and provides a high-quality learning experience.
