Article Body:

I believe that every moment of existence holds within it, somewhere, a key to your true nature

There is a simple fact of nature that I would like you to consider ~ YOU ARE ALREADY PERFECT!

All of nature, or existence, or reality, or whatever you prefer to call it, is already perfect

There is nothing outside of you that you need to find to complete you. You are already complet

There is nothing you need to achieve. There is nothing you need to get, do or become. Everythi

A rock is a rock. It doesn't try to be anything other than itself. It does not look elsewhere

A tree does not try to be something it's not. It's a tree. And it spends its time just being.

I have a cat named Schrody. Now Schrody lives an incredibly free life, because he simply is wh

There is not one example in nature, living or non-living, which is not already perfect. Includ

If you were meant to be something or someone else, then you would be.

If you were meant to have something else, then you would have it.

If you were meant to achieve something, then you would have achieved it.

You are already perfect, just as you are.

So why don't you feel perfect? Why are you not happy? Why are you looking outside of yourself

Perhaps because you falsely believe you should be something else? Something other than what yo

These things are just your external environment. And if you wish to change them, you can certa

If that is your desire, you can change your finances. You can change your career. You can impr

Personal development and growth does not improve you. It simply expands your awareness of the

Until you recognize this fact, you will continue in your suffering. Happiness cannot be found

So! How about no more thinking, ^I should be this ~, or ^I should have that.~ How about thinki

Be happy being who you are.
