isolation, loneliness, alone, confidence, advice, peace, motivation

Article Body:

This world is a crowd. We all live in a crowd. Our family, our friends, our business associates

Being lonely means - you are not able to share your deepest thoughts with anyone. You have issues

You have friends with whom you try to talk about your problems. But they want to tell you their

Are you one of such people? Do you feel lonely? Do you also feel that you have no one to share

What can you do in such a situation? You may be feeling helpless, but something ought to be done

One who feels lonely in the crowd of people, must first raise his/her self-esteem. You must sa
