

Title:

Beat Your Examiners with Exam Techniques

Word Count:

692

Summary:

My brother is an artistic genius. I can probably draw as well as the average child of 6. But I

Keywords:

exam techniques, essay writing, essays

Article Body:

Are exam techniques better than knowledge?

Half a century ago I learned about exam techniques. At that time I was snowed under with study.
He was right at that time! It didn't matter how much study I did, term exam questions were always
Then I learned that you perform best in an exam if you know more about exams rather than about
I liked that.

Using Exam Techniques

So I studied exam techniques. What were the results? I passed eleven GCE ordinary level subjects.
When artistic talent was handed out, my brother got it all, and there was none left for me. I
However in the GCE exam, my brother set out to do good art, and I used exam techniques to get

Multiple Choice

My wife had a multiple-choice paper on a subject about which I knew nothing. I tried the exam.
Then came a time that I studied maths again, and I was hopelessly at sea. I learned maths when

We've learned nothing

My daughter's final exams were coming. I searched libraries for the most modern examination techniques.
They mentioned mnemonic techniques to help me remember, but I'd been using them since the middle school.
The day before a university exam I decided that I would probably get a question about the life of
Next day the expected question appeared, and I remembered every number - BUT - I had forgotten

Birth of Exam Mastery

I wrote a book about how to pass exams to help my daughter. Unfortunately she thought that she

The arithmetic of success

Suppose you're taking an essay exam with five questions. You know you can give good answers for

Your teacher has brainwashed you by punishing anybody who wrote a three line essay for homework

You got 45 marks out of 60 for your three good questions. The pass mark is 47%. You get one mark

In fact I usually got about 75% by using exam techniques. Oh, they aren't magic. I failed an exam
