Article Body:

So you're trying to figure out what you're going to be when you grow up. The problem is you're

Back to you. You're physically "grown," but you haven't found your "one true path." You don't

Okay, let's start with the brutal truth here. If you have spent a lot of time, effort and crea

You probably don't have one.

You see, people who have one true paths know they do and they know what they are. This is not

People like us, who stumble and bumble and jumble from one thing to another to another to anot

That's the good news. Because what we have, boy is it better.

We have multiple paths. They fit our multiple passions and our multiple talents and our multit

You and I? We can be whatever we want. For as long as we want. And then go do something else.

Don't you feel liberated?
