

Title:  
Energy Crisis

Word Count:  
997

Summary:  
The current "worldly" energy crisis and how it mirrors our personal energy.

Keywords:  
energy, attraction, prayer, personal power, inspiration

Article Body:  
If we look at the current ^energy~ crisis from a different perspective- there is valuable info  
The intelligence that created and guides this Universe is speaking to us. There is an abundance  
What does ^fuel~ represent? It is what we need to move. It powers our cars, homes and airplanes  
Are we not experiencing a similar ^energy crisis~ within our own lives? There is so much going on  
We are constantly bombarded with images of fear, lack and inadequacy. Turn on the television  
We are constantly picking on others and ourselves. Our attention is drawn outward and focused  
You are not powerless, alone or empty. There is always an unlimited supply of energy available  
Call upon the awesome and incredible power and love of God (by whichever terminology you choose)  
Dear God (Universe, Goddess, Father/Mother God, All that is)

Fill me with love, peace and wisdom.  
Pour your light into my life so my eyes will be opened to the truth.  
Help me to see my own power, beauty and uniqueness.  
Fuel my spirit to stay connected to the unlimited supply of creative energy that is always pouring  
Give me the knowing, that by partnering with the Divine- I am strong and powerful.  
Fill my mind with your thoughts.  
Help me to release guilt, anger, worry and fear.  
As my heart opens- so do my spiritual eyes and I release all judgments about others and myself  
As my connection to the Divine grows- I am an observer of the world around me.  
I have the power to choose how to use my energy for the highest good of all concerned.  
I am no longer afraid of the false projections shown to me.  
Amen (so it is)
