For people who have fluent speech, it is hard to imagine what it must be like for people who s
Going through life with a speech impediment is quite difficult, and at times the stutterer wou

After overcoming a stutter myself, I asked some of my friends, how they thought life was like,

Jim said:

"I always thought that you felt a bit sorry for yourself and you made out that your stutter wa

I also felt at times that you lacked courage, for example always asking Tony to order your dri

Paul then gave his opinion:

"I found it quite funny that at times you would be talking really well, but within a few minut

Ashley joined in:

"I felt a bit sorry for you, seeing you struggle, was quite painful to watch."- This was a bet

Nigel, another friend:

"I am glad that I don't stutter, but what I think you needed to understand was that you were n

I was annoyed mostly by the comments from Jim, and responded:

"So you think to have a stutter is not that bad then Jim? OK, I challenge you to go up to the

I showed him how I wanted him to say the order, when to stutter etc. I then said:

"After you have stuttered on the words, I want you to see how it feels and to experience the w

Jim declined this challenge, even after a severe amount of prompting and teasing from differen

Having a stutter is not nice and when someone who has a stutter seeks help, please offer them
