self improvement, motivation

Article Body:

Your personal development and motivation is the key to a successful and happy life. If you want

Even businesses are getting in on these mission statements. They are a great way to make it known

Your personal mission statement is not only about getting what you want out of work or the people

Your personal mission statement will help you to evolve into the person that you have always dreamed

Start with just a simple pen and paper. Sit down and write about the person that you are today
