iq level, iq, problem solving

Article Body:

What is your IQ level? What is "intelligence quotient anyhow? The American Heritage Dictionary

One IQ test asks which of four fruits is different. It's the one with more than one seed, but

Look at these letters: "ANLDEGN." Rearrange them to spell the name of a(n): Ocean, Country, St

Real Life Results vs IQ Levels

An imperfect test is better than no test, and it is entertaining. I recently took an IQ test,

1. Breath deep through your nose.
2. Sit up straight and close your mouth.
3. Drink a cup of coffee, tea or other caffeinated beverage.
4. Exercise enough to get your blood pumping faster.
5. Eat or drink Ginkgo Biloba to increase blood flow to your brain.

By the way, what was Henry Fords IQ? Who cares! He was one of the most innovative people of th

You want real life results, right? If you want to be more creative, learn creative problem sol
