Let me explain it this way. My brother heard a statistic that you are more likely to end up in

Let me give you another really simple example:

Belief no1 ~ Mum's should always patient.

Belief no2 ~ Mum's are busy.

Belief no3 ~ Every child needs a good mum.

Belief no4 ~ 'Bad' parenting negatively affects children's security.

Belief no5 ~ All insecure children fail to succeed and end up nowhere.

The above set of beliefs operates as a system. The likely outcome is that if through tiredness
