

Title:

Knowledge Is Not Power

Word Count:

303

Summary:

Knowledge isn't power, any more than a car without a driver, or money in the hands of a fool i

Keywords:

Knowledge Is Not Power

Article Body:

Whoever first said that knowledge is power was probably selling encyclopedias. Knowledge is a

1. By seeing clearly what can be done.
2. By seeing clearly your own limitations.
3. By acting on what you know.

Wise Action, Not Knowledge, Is Power

Investors often learn so much that they think they can consistently predict the course of the

I can read about how to sing, and even get advice from a voice coach, but I can't sing well. I

The most important part of making knowledge into power, is to act. You can study political phi

Imagine an inventor with a hundred ideas on paper. He has a head full of knowledge, and a crea
