

Title:

Passover: Laugh While Cleaning

Word Count:

592

Summary:

Preparing for Passover involves a thorough house cleaning. While you are doing that, here are

Keywords:

humour, humor, laughter, joke, jokes, passover, jewish, jew, leisure, relaxation, fun

Article Body:

Passover, or Pesach as it is called in Hebrew, is the 8 day festival where the Jews celebrate

They must also make sure that no bread crumbs exist in or around the house: the cupboards, the

Impossible Timing:

Samuel, an observant Jew, who was also a financial wizard, left Brooklyn to accept the position

When they learned this, the company's directorate applied tremendous pressure on the company's

The president tried to ward them off, but when he couldn't manage it anymore, he called Samuel

Samuel had no choice but to convert, and he went home and told his wife that from Sunday, they

A few months went by and his wife kept troubling Samuel about the conversion. "This is too difficult

And with each time that his wife complained, Samuel's conscience increased until he could not

"Look, I can't go on like this," Samuel said. "I am full of regret. Money is not everything. I

The President looked at him in wonder, "Listen, Samuel, I had no idea that this was so difficult

Samuel returned home happy and grinning from ear to ear. He ran to his wife, who was watching

His wife looked at him with eyes that spat fire, and said, "Are you mad?"

Samuel was shocked. "But I thought that this is what you wanted!" He cut in. "All this while you

His wife looked at him with ever more fury, "Of course I want to. Of course I want to," she said
