Rags To Riches ~ Not Just An American Dream

Word Count:

759

Summary:

When someone becomes immensely successful and wealthy, others have choices in how they respond

1. An outpouring of jealousy, dismissing the successful person as lucky, dishonest, manipulative
2. Admiration and acceptance; a "that's life" attitude: "Good for him".
3. Wow! How did he do that? I want to learn from that guy and do the same.

It is sad that such a high percentage of people seem to fall i...
